FOREWORD

The past with its memories will form an enduring background for the life and character we build in the future.

- It is the aim of this Staff to edit a book which will be the faithful storehouse of those memories. ❖ ❖ ❖

The School

The School

Scampering sophomores, jaunty juniors, sophisticated seniors, sedate savants - - - all are included in the modern conception of a high school. How different is this from the life in the one-room schoolhouse with one teacher and very few pupils. At the time of the establishment of the first school in Findlay, 1826, there were less than a hundred families in the village. What a contrast this presents to the trained faculty which has guided the 213 seniors who are leaving this modern high school of 1936.

MR. MATTESON

Mr. Matteson deserves a reai tribute for his untiring efforts towards the betterment of the public school system of Findlay. We as students owe much to him in the way of opportunities offered us in the excellence of the educational facilities and in the varied program of extra-curricular activities.

MR. KINLEY

The abilities of Mr. Kinley are such that to attempt to give him his due recognition would take several pages. But these same abilities are recognized by all of us so that to set them forth here would be useless. Suffice it to say that we have all gained much in our association with him.

SENIOR CLASS HISTORY

The Class of 1936 have completed three years - - three years filled with work and play, friendships and rivalries, and have passed through the portals of Findlay High School never to return again as students. We can now think back over those years perhaps with a little regret over their passing but also with a great deal of satisfaction with our accomplishments. For those years have been filled with accomplishments of which we can be justly proud.

We entered Findlay High with a record to uphold - - a record built up by many former classes. In passing from the Old Building, where we served our apprenticeship as sophomores, into the New as complacent juniors and finally to the dignity of seniors we strove to raise this record and succeeded somewhat in the attempt.

In addition to maintaining a high average of scholarship, we served as members of the Findlay team in the State Scholarship Tests during our three years at F. H. S. and gained a number of places for the team. As seniors we entered the General Scholarship Test and gained several places high up in the state ranking. As a class we upheld the scholastic records of former years, the Honor Class of 1936 being one of the largest in several years.

In athletics we again excelled. The football teams during our stay at F. H. S. hung up a very creditable record. The basketball team early began winning laurels, finishing as runners-up in the state in our final year. Track, golf, and tennis also gained a greater importance partially through the efforts of some of our class.

We participated in the various other extra-curricular activities of the school with profit and success. The debate team brought a great deal of recognition to the school through its efforts. We as a class supported the newspaper and annual in addition to the efforts of some of our members in holding positions on the staffs. In dramatics we were again active. We presented "Through the Keyhole" in our junior year with great success and repeated this triumph in our senior year with "Ladies of the Jury." Members of our class also contributed a great deal in the presentation of the operas, "Two Vagabonds" and "Princess Ida."

With the memories of these achievements before us we can go on to greater successes in the life for which the faculty have so well prepared us in providing such a full program of school activities. May we continue to bring fame and honor to ourselves and Findlay High in the years to come.

Activities

Activities

The administrators of Findlay Senior High School early realized that mere academic knowledge of the three R's was not the sole purpose of a modern high school, and during the last twenty years a program of extra-curricular activities for which we as students should be and are grateful has been developed. Through the broad program of club work, debate, dramatics, journalism, music, and the like which are open to all, the students of Findlay High are better fitted to take their places as citizens.

HONOR CLASS

The honor class was one of the largest classes which has ever been graduated from Findlay High School. Twenty-eight students made up the honor roll for 1936. This meant that each one of these students had attained an average of ninety per cent or above during his four years in high school. Each student deserved great praise for such an accomplishment. This has meant a great deal of hard work, determination, and sacrifice on the part of each one, but the goal which has been achieved has been well worth their untiring efforts.

These students have gained much more than mere membership on the honor roll. They have learned the finest habits of study and concentration, which will be a great asset to them in their future life's work.

STUDENT COUNCIL

The Student Council is probably the only organization whose sole purpose is service to the school.

It is composed of representatives from each home room representing the student body, and Mr. Kinley, representing the faculty.

Among the responsibilities of this group are to provide a coordinating link between the students and faculty, to give opportunity to student self-direction, to encourage order, and to promote the general interests and activities of the school.

In this later category, the Student Council sponsored the concessions, an amateur contest, spelling bee, courtesy campaign, College Day, and Parents' Acquaintance Night.

The officers for the first semester were: John Wallen, president; Vaughn Meeks, vice-president; Lowell Alge, secretary. The same officers were retained for the second semester with the exception of the vice presidency which was filled by Joan Lee.

ANNUAL STAFF

The 1936 Annual Staff has striven to publish an annual which each student may be proud to possess. For awhile it was rather uncertain whether school would go on, but work progressed without fail. The 1936 year-book is a portrayal of Findlay High School life and activities.

The editor was Dana Orwick; associate editor, Ruthanne Kirk; business manager, Don Patterson; advertising manager, Joan Lee.

NEWSPAPER STAFF

The newspaper staff was composed of the members of the Journalism Class of the school. The aim of the staff has been to give the student body what it wants in the best style possible. A chronicle of the school events is presented in the Blue and Gold giving a complete history of the happenings of the school year. Miss Pearl Moran served as the faculty advisor.

ADVERTISING TEAMS

Without the steady and persistent effort of those who make up the Advertising Teams, this book would not be possible. Their work in canvassing the merchants of Findlay, and the results they have obtained has been outstanding this year. It is all the more so when we remember the uncertainty of the school year.

When you read this book remember the work of these students.

COMMERCIAL CONTEST

The commercial team representing Findlay at Bowling Green for the elimination contest continued the record of past years, gaining two first places in typing and two seconds in shorthand.

This year's team met particularly stiff competition from eight schools of this section. The contestants who won in the Amateur divisions were Phyllis Coon, Marilyn Schwinn, and Marie Fornes. Marcelline Thiery competed in the Novice division.

During the season over forty debates were participated in, including contests in both the State and Buckeye Leagues; Findlay won the District Championship, but they were defeated by Troy in the quarter finals. Troy later won the State Championship.

The successful season was climaxed when Findlay won the annual Heidelberg Debate Tournament at Tiffin. Findlay's record of eight victories in nine starts gave our school first place in competition with thirty-one other high schools from Ohio and Pennsylvania.

HI-Y CLUBS

The Hi-Y Clubs of Findlay Senior High have expanded greatly during the past year and have actively interested themselves in backing the various school projects. Many interesting discussions on how best "To create, maintain, and extend, throughout the school and community, high standards of Christian character" have been held in the three divisions of the club.

The officers and sponsors for the three divisions during the past year were: Senior: Sidney Hoover, president; Harold Bishop, vice-president; Howard Hoadley, secretary; Mr. Mosshart, sponsor. Junior: Harold McDonald, president; Kermit Sayre, vice-president; Tom Child, secretary; Mr. Robbins, and Mr. Constien, sponsors. Sophomore: David Stuntz, president; Millard Saul, vice-president; Richard Reed, secretary; Mr. Frack, sponsor.

DRAMATIC CLUBS

The three dramatic clubs were organized to meet the needs and the demands of students who desired the cultivation of poise, an improvement in speech, and an appreciation of dramatic literature.

The work was divided among the three clubs - - the Senior Club, sponsored by Miss Shilling and specializing in the reading aloud of plays; the Junior Club, sponsored by Miss Finton, endeavoring to teach an appreciation of dramatics by directing and producing plays, and the Sophomore Club, sponsored by Miss Moran, offering an excellent opportunity to Sophomores to become better acquainted with the first essentials of dramatics. The club presidents were Tom Roberts, Mary Julien, and Marlowe Moore.

Athletics

Athletics

Since the first football team on its own initiative took the field - - any available meadow - - under the colors of F. H. S., in 1897, athletics have grown and become a real force in the development of school spirit and pride. The first basketball team was organized in 1907, and track was begun in the early 1900's. Golf, tennis, etc., are comparatively recent comers to the sports program. Today we have coaches trained in the sports they supervise and a m o d e r n gymnasium and stadium.

Harold Dierenfield

Carl Bachman

Carl Bachman

From the great open spaces of the West came our new Coach of Football, Mr. Harold Dierenfield. With a successful record, both as player and coach, Mr. Dierenfield developed a Trojan team worthy of past traditions.

Under his guidance the team was characterized by its sportsmanship, fighting qualities and courage. In addition to football, Mr. Dierenfield ably assisted Mr. Bachman in Basketball. With his friendly and pleasant nature Mr. Dierenfield has made his place with us.

Mr. Bachman completed his second year as Varsity Coach of Basketball with a second in the Buckeye League, victor of the District Tournament, and runner up for the state. Such a record betokens athletic ability, hard work and a friendly and understanding knowledge of his players.

Basketball does not occupy all his time for in the fall he is assistant coach of football and in the spring has charge of the golf team.

MANAGERS

In the glamour of an athletic victory we sometimes forget that the time and effort given by our managers has been a most vital and important contribution to that victory. Their work is not only an important part of our athletic program, but it is also very difficult and requires a great deal of time.

The managers are the first persons to arrive at a game or a practice, and are likewise the last to leave. They have complete charge of all equipment, and must keep it in the best possible condition.

Besides all of the time required for this work they must not neglect their studies for their names must appear on the eligibility list the same as those of any player.

The fact that in the past our managers have not received as much formal recognition as the teams should make us appreciate their fine service even more.

Football

This year's football introduced night games to the Trojan followers. In all, four games were played here under the lights and this novel experience brought out many followers to see the Trojans break through their first games in grand style, but a few injuries and a lessening of spirit broke their stride. However, they played good, hard, clean football throughout, not stopping until the last whistle blew, and this characteristic attitude often made defeat easier to bear.

Mr. Dierenfield had six lettermen for a nucleus of the 1935 team and many able, yet inexperienced recruits to fill in.

Another feature which will promote football is the starting of Junior High games at Donnell and Glenwood and this will save the teaching of fundamentals by the head coach and allow him to work on the fine points.

On the basis of scores the team didn't fare so well, but the principle of the game is to foster a competitive spirit, good sportsmanship and physical fitness.

The first part of the season netted us three straight wins, then a loss, then another victory. Bigger and better competition cost us three games and one tie.

The highlight of the season was the Columbus South game. With everyone in their prime the boys romped to a 27 to 0 score, everything working like a well-oiled machine.

In the Fostoria game the Black and Red warriors stopped several advances on their goal line to hold us to a 0 to 0 score. They made but one slash at the goal but were stopped. This tie game is the only one in the annals of Findlay-Fostoria competition.

Basketball

A basketball squad possessing the cooperation, speed, alertness and ability displayed by this year's Trojans deserves much recognition. Their performances show how well they played, but the season's record and many highlights throughout the season give us more proof of the way in which they played.

Under the direction and coaching of Carl Bachman, the squad earned many distinctions of which the following are the most prominent: 18 victories out of 22 games played, victory over Sandusky, victory over Fostoria, second place in the Buckeye League, runner-up in the State tournament at Columbus. Since these things were accomplished by a squad that had only three seniors it is expected that next year's season will be even better and more successful than this year's.

Not enough praise has been given to Carl Bachman for his interest, tireless efforts and sacrifice to make and produce a winning team.

The 1935-36 season's record follows:

JOHN WICKHAM

—FULLBACK - TACKLE

"Big Boy" John, two year man, back next year, was plenty hard to stop at full.

EARL ROETHER

—HALFBACK - QUARTER

"Bottle" was our best blocker in the backfield, and always brought them down on defense.

WILLIAM HECKMAN—END

Bill caught plenty of passes this year and we expect big things of him next year.

JOHN DISHON—END

John never left anything get around his end and gave his best at all times.

ARTHUR SHIVELY—TACKLE

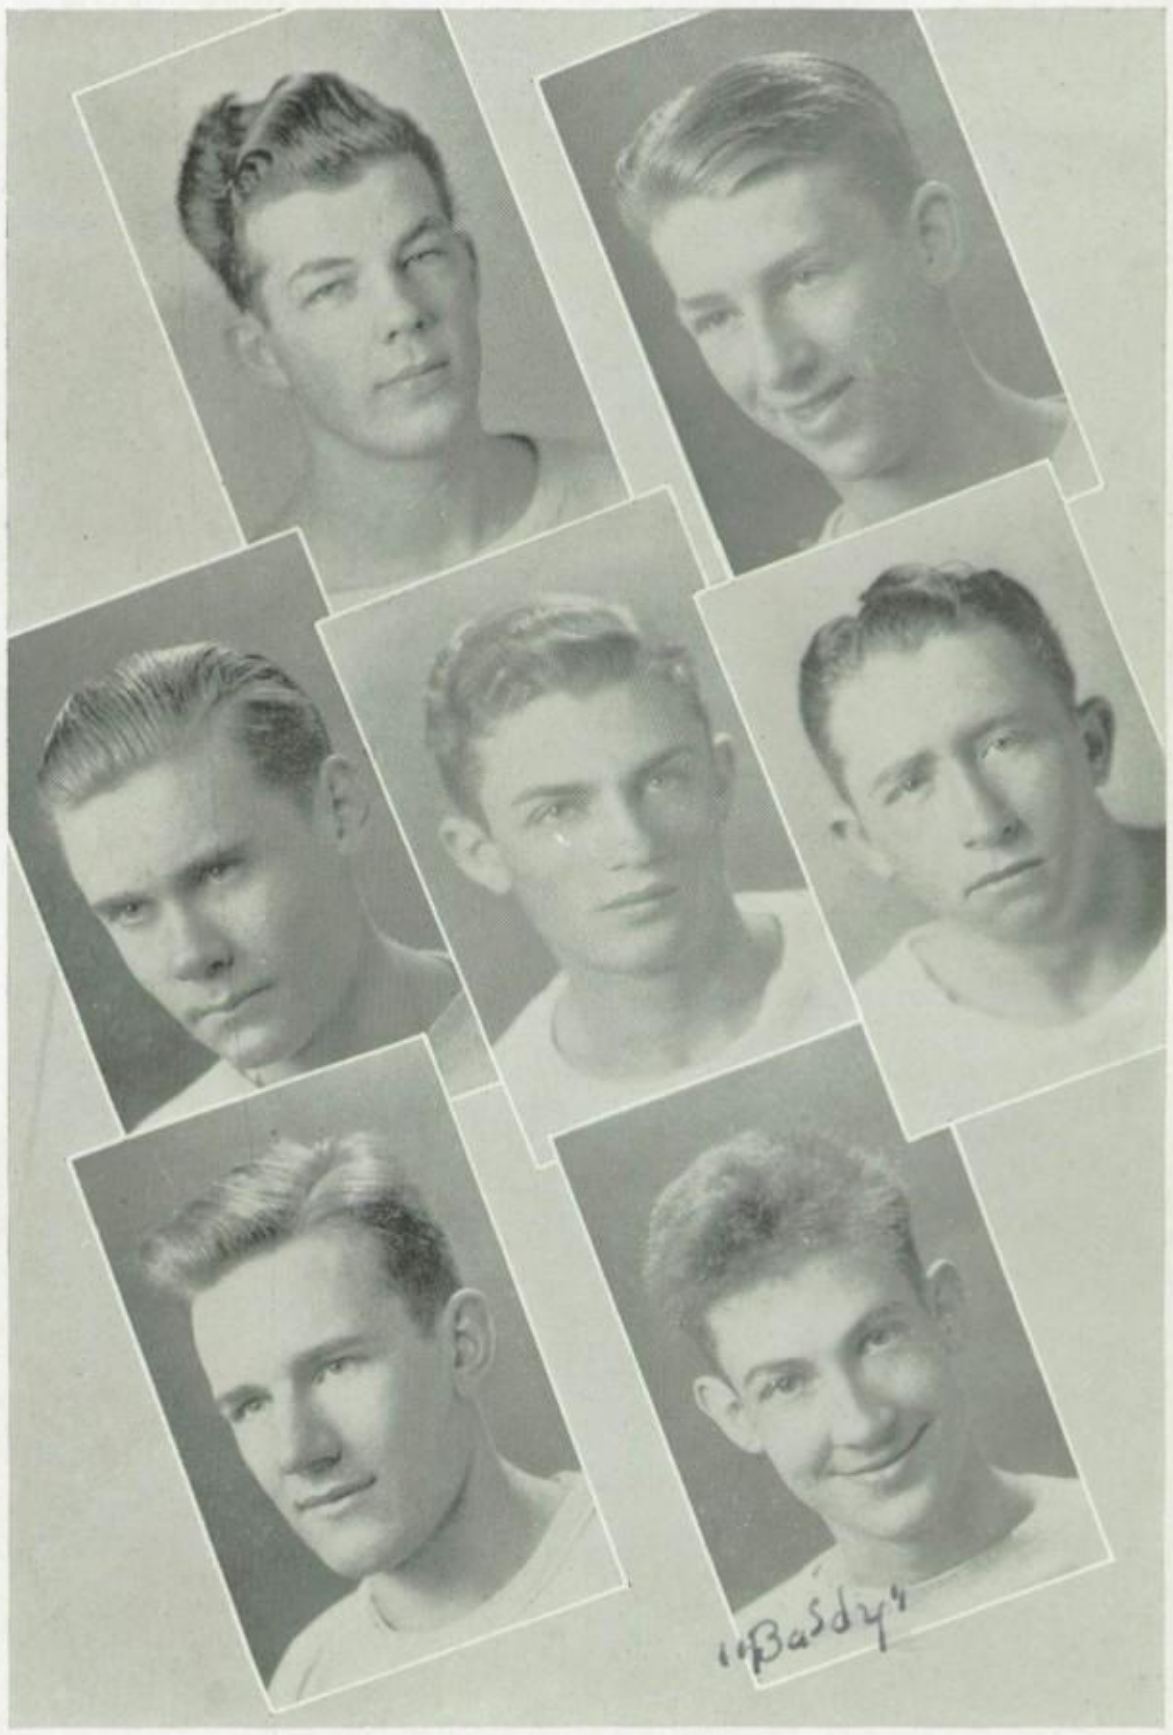
For three years Art did his part on the line, both on defense and offense.

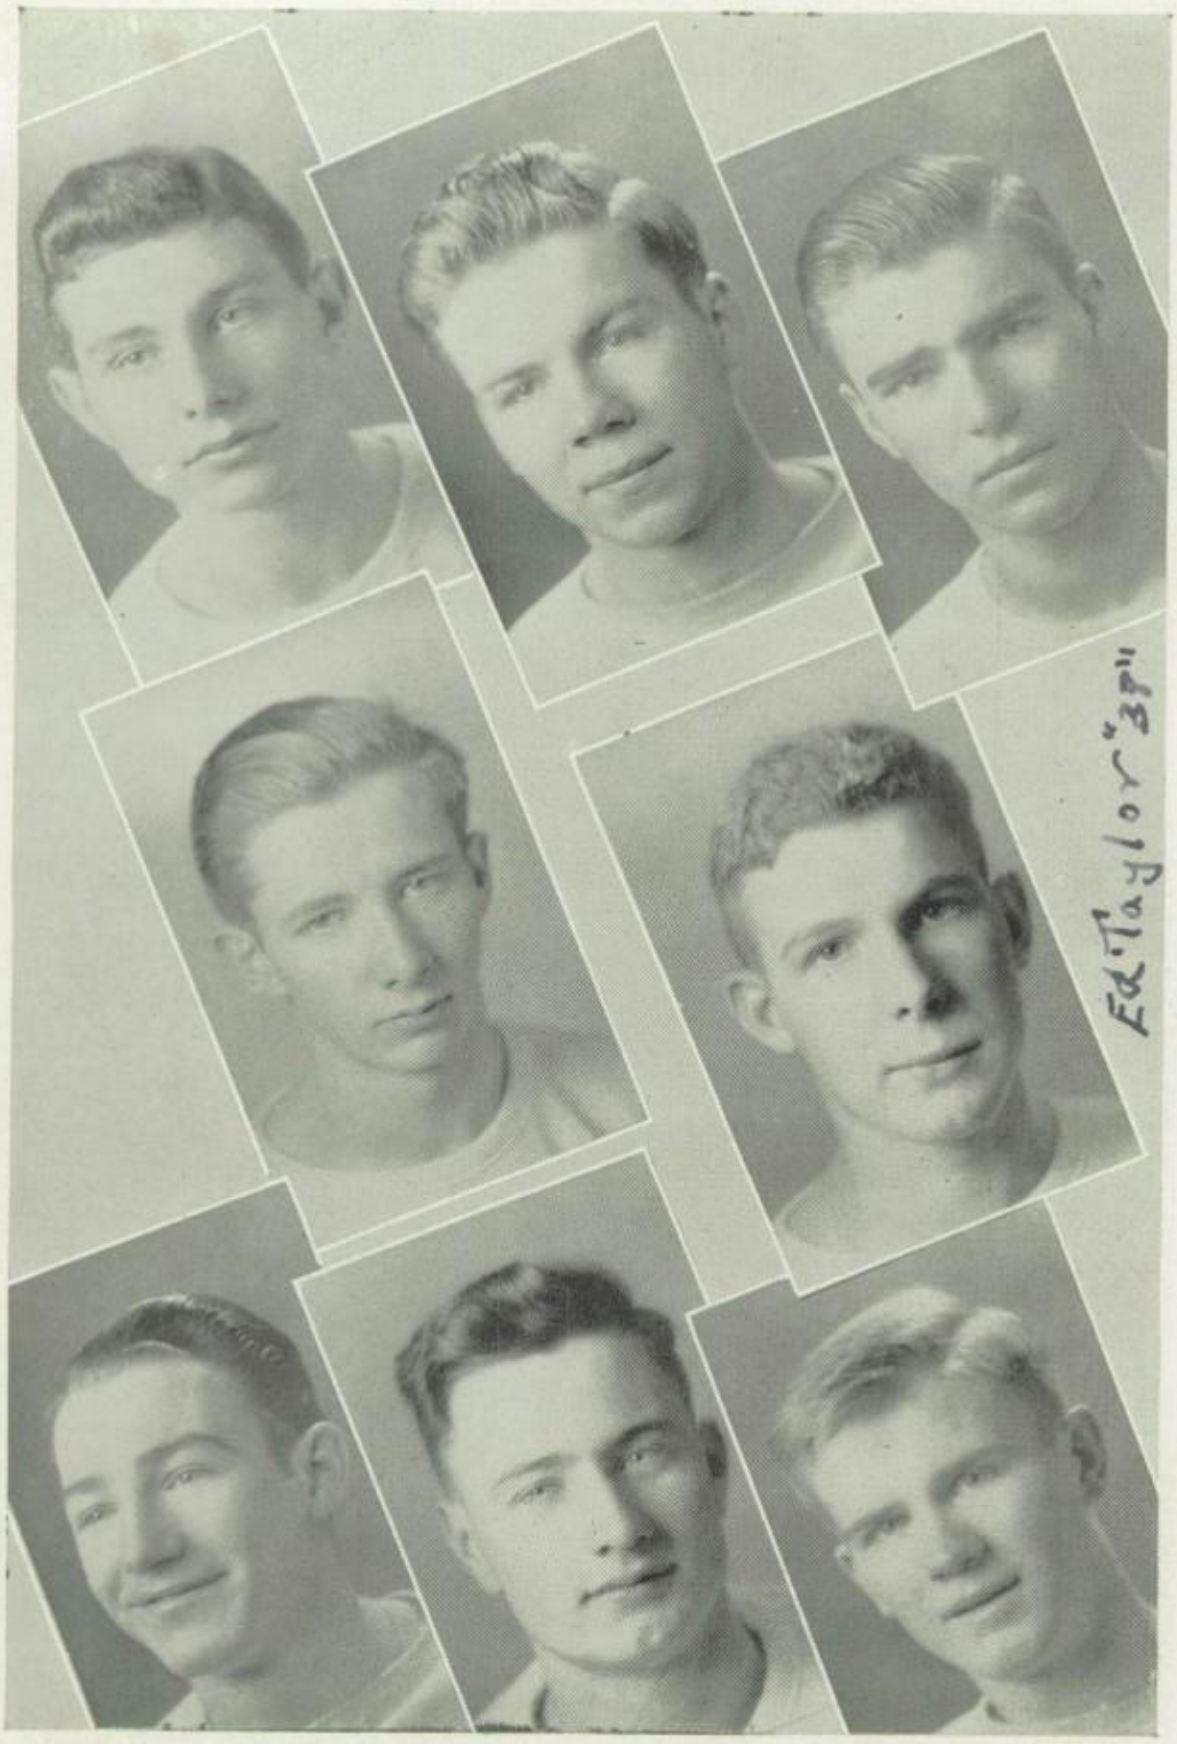
RALPH HENDRICKS—END

Another flanker who worked hard in there to break up the enemies' offense.

RICHARD BALDWIN—TACKLE

A boy who held down his position well and who will be back next year.





WENDAL WINELAND—GUARD

"Pickle," a guard for two years, ran interference and broke through the opposition consistently.

WILLIAM RILEY—HALFBACK

Bill, captain and signal caller, topped his three year career with his sparkling ball carrying and tackling.

ROBERT VARNER—CENTER

Bob, a two year man at center, was also a great aid in backing up the line.

DICK GALLEHER—HALFBACK

Another fast backfield man who worked hard at his half in our speedy backfield combination.

EDWARD TAYLOR

A big soph who always broke through the opposition to spill them for a loss.

BOB SMITH—HALFBACK

Bob could always be depended upon for a gain around end with his fast running.

RAYMOND PAUL—GUARD

"Deafy," dependable guard, also got us out of plenty of holes with his accurate punting.

RUSSELL BELL—QUARTERBACK

Our diminutive quarter was an accurate passer, a great little runner, and consistently returned punts.

Bill attended Findlay High for his first time this year and really made good. Height, cleverness, and calmness were outstanding qualities and he always used them in striving toward victory.

Chad, displaying excellent floor work, and basket shooting, was one of the mainstays on the team. "Millard" was chosen as one of the forwards on the all state team.

JOHN WICKHAM

A tall clever center is always an asset to a team and John answered this purpose very well. Along with these he displayed plenty of hard work and fight.

ROBERT BROWN

Bob, playing his second year on the varsity, showed an excellent fighting spirit so necessary for a winning team. We are looking forward to seeing him in action next year.

HAROLD BISHOP

Harold, at all times cool and cautious managed to keep the team in a fighting spirit. "Pee Wee," an excellent dribbler and basket shooter, pulled the team out of many a hole.

DICK BALDWIN

When speaking of hard-fighting players, Dick always came to the front. His teamwork and willingness to cooperate were qualities that marked him as a good player.

DICK HARTMAN

Dick, appearing for the first time on the varsity squad, displaying such ability that he secured a place on the first team which he kept the entire season. "Oliver" returns.

EDWARD TAYLOR

In the reserve games, Ed took the lead and was high-scorer in most of the games. Being a sophomore enables us to think he will be a first-stringer in no time.

Track

Despite the handicaps of bad weather and lack of equipment, a good number of boys turned out for the track squad this year.

The squad was capably handled by Coach L. C. Keller. He trained the boys for their various events so that all received the maximum benefit and training but were not overworked. Much credit is due the boys for their faithful practice after school every night in order that our school might present a good comparison with the track teams from other schools.

Men who had experience in last year's meets formed the nucleus of this year's track team. Some of those returning were Dick Galleher, 220 yard and quarter-miler; Don Fox, high and broad jumper and hurdler; Howard Mitchell, javelin thrower and hurdler; Philip Rush, dash man; Eugene Ritchey, distance man; and John Wickham in the field events.

An unusual spirit of cooperation was presented by the squad in preparation for the schedule which consisted of:—

Cheerleaders

Findlay High's athletic contests would certainly be incomplete without our cheer leaders. Our games would not be so lively and interesting if the cheer leaders were not constantly on the job. Besides making the game more interesting for the spectators we must remember that the support which is demonstrated on the sidelines, and which is created largely through the efforts of the cheer leaders, is frequently a vital factor in bringing about a much needed score.

The cheer leaders are on hand at every game lending their support to the team when it is most needed. This in itself is no easy task, but it is far more difficult to face a huge crowd of somewhat reluctant persons, and to lead them in the cheer that has a tendency to urge the team on to victory.

Most of us would be unable to do the work of the cheer leaders in the capable manner that has been typical of the work which they have done this year under the able supervision of Miss March.

Let us not only recognize and appreciate the fine work that our cheer leaders are doing, but in the future let us also give them more enthusiastic cooperation.

This was the most successful competition from the standpoint of interest and number playing as there had been for several years.

A tennis tournament climaxed the 1935-36 sports year.

Girl's' Intra-murals

The high school has afforded an opportunity for all girls to take part in the various sports in which they are interested. Under the capable direction of Miss Esther March intra-mural sports have been developed to a high degree. The popular sports during the past year were kick-dodge ball, basketball, volley ball, deck tennis, and baseball. Tournaments were carried on between home rooms and individually selected teams.

TENNIS

The tennis squad attracted a large number of candidates this year. Little is heard of this sport and yet in the past two years, it has established a record of two undefeated seasons.

New material added greatly to the strength of the team which had only a few varsity members out. The schedule provided stiff opposition including, Bowling Green, Bluffton, Lima Central, and the Toledo tournament.

GOLF

With the coming of spring, golf clubs swing and Findlay High ushers in a new schedule for the divot diggers.

Mr. Bachman who coached the boys this year had plenty of material for a good team. He needed a par breaking bunch to compete in the six match schedule with Bowling Green, Waite, and Lima Central and to come through in the District Meet also.

LAST OF THE O'BRIENS

Bill didn't listen, look or, stop.
They towed his flivver to the shop.
It didn't take a week or two
To make the car look good as new.
But though they yet are hunting, still
They found no extra parts for Bill.

Two boys were discussing the draught in Iowa.

"The oats is the shortest this year that it has ever been," says one.

"Yes sir, I'm afraid we'll have to lather ours before we mow it," said the other.

A FRESHIE'S PRAYER

"I want to be a Senior, and with the Seniors stand
With a fountain pen behind my ear and a notebook in my hand.
I wouldn't be a president, I wouldn't be a king,
I wouldn't be an emperor for all that wealth can bring,
I wouldn't be an angel, for angels have to sing;

BEING BIG ABOUT IT

The undersized husband was trying on the overcoat his wife had bought him for Christmas.

"You know, dear," he said, gazing at himself in the mirror, "this is a nice present and all that, and don't think that I'm ungrateful. But really, isn't it much too large for me?"

"I know, my dear," she returned. "But we can't help that. You must remember that it's got to cover the radiator of the car in cold weather. We have to consider that first, haven't we?"
